

HEAT PRESS

Hot 2000 - Our most popular heat press

Hot 2000 is our reliable heat press which has now become even better!

It has a new design for improved ergonomics and new features such as shelves on each side of the machine and simpler fasteners for under plates. Hot 2000 still has the same simple operation, which combined with unrivalled

durability, has helped it to remain a real best-seller in Sweden and Europe.

If you want to invest in quality and power, then this is the heat press for you. Hot 2000 is built by us in Sweden, and we always have machines in stock for immediate delivery.
